1. The Emigre Font Software is licensed for use at one (1) location with a maximum of six (6) devices. For example: five (5) CPUs and one (1) printer or output device.

2. Use of the Emigre Font Software at more than one (1) location or with more than six (6) devices requires a Multi-Device Site License upgrade. A device may be, but is not limited to, a printer, rasterizer, video display terminal, CPU, workstation or any device where the font software is rasterized or display of the Emigre Font is generated from font software outlines using Adobe Type Manager or similar software. For example, a display terminal shall be considered a device if the Emigre Font outline is embedded or otherwise included for viewing by end users in a multimedia CD.

3. Except as permitted herein, you may not modify, adapt, translate, reverse engineer, decompile, disassemble, alter or otherwise copy the Emigre Font Software.

4. You are permitted to make a single back-up copy. The Emigre Font Software or documentation may not be sublicensed, sold, leased, rented, lent, or given away to another person or entity.

5. The Emigre Font Software may be returned or exchanged only if defective. Defective software will be replaced when accompanied by a valid sales receipt and Emigre is notified within one (1) week of purchase.

6. You agree that any derivative works created by you from the Emigre Font Software, including, but not limited to, software, EPS files, or other electronic works, are considered derivative works under U.S. Law and use of the derivative work is subject to the terms and conditions of this License Agreement. 8. Any breach of the terms of this Agreement shall be cause for termination. In the event of termination, and without limitation of any remedies under law and equity, you agree to immediately return the Font Software to Emigre and certify that no copy remains in your possession or control.

9. EMIGRE MAKES NO WARRANTIES, EXPRESS OR IMPLIED AS TO MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR OTHERWISE. WITHOUT LIMITING THE FOREGOING, EMIGRE SHALL IN NO EVENT BE LIABLE TO THE LICENSED USER OR ANY OTHER THIRD PARTY FOR ANY DIRECT, INDIRECT, CONSEQUENTIAL, OR INCIDENTAL DAMAGES, INCLUDING DAMAGES FROM LOSS OF BUSINESS PROFITS, BUSINESS INTERRUPTION, LOSS OF BUSINESS INFORMATION, ARISING OUT OF THE USE OR INABILITY TO USE THE PRODUCT EVEN IF NOTIFIED IN ADVANCE. UNDER NO CIRCUMSTANCES SHALL EMIGRE'S LIABILITY EXCEED THE REPLACEMENT COST OF THE SOFTWARE. FOR MORE INFORMATION REGARDING THIS LICENSE GO TO: http://www.emigre.com/EUL.php

FONT EMBEDDING Embedding of the Emigre Fonts Software in digital documents or in any other form is governed by a separate license agreement. If an embedding license is desired, the licensee must represent and warrant that licensee's encryption of the embedded Emigre Fonts is secure enough to prevent any access or use by others. For more information regarding an Embedding License go to: http://www.emigre.com/Embedding.php

LICENSE UPGRADES
The Emigre Font Software is licensed for use at a single location for use with a maximum six (6) devices. For example: (1) printer with up to five (5) CPUs. The Emigre Font Software may not be shared between locations or business entities. Each additional location and/or entity must purchase a separate license to be used in accordance with the terms of the Emigre Font Software License. License upgrades may be purchased for use with additional devices. The upgrade price is calculated as a percentage of the original price of the software. To determine the number of devices, add up all CPUs, workstations, printers, and other devices that use the fonts. The following is cumulative:

1 - 6 devices (standard license)
7 -12 devices: add 50 percent
13-60 devices: add 20% for each 6 devices
61-150 devices: add 15% for each 6 devices
151-300 devices: add 10% for each 6 devices
over 300 devices: add 5% for each 6 devices
Very large or unlimited uses of the Emigre Font Software will require a custom license agreement.
For information about various license options go to: http://www.emigre.com/EULOptions.php

Note about Numerals:
Some Emigre fonts include both lining and old style figures. If your package includes both types of numerals, they are provided in separate font files. **Lining** numerals are aligned with the height of the capital letters, creating an even appearance with uppercase text. **Old style** numerals, also called "non-lining," have ascenders and descenders like the lowercase letters, with emphasis along the x-height, thus creating an even appearance within lowercase text. For more information about lining and old style figures, see: www.emigre.com/EFoGC.html

Euro Symbol
option-shift-**2**
Starting with the 1999 releases, Emigre fonts will include the Euro symbol in the option-shift-2 key position.
For information about the Emigre Euro font, see: www.emigre.com/Euro.html
